Hi Monica,

Please see the below E Mail regarding the City Hall Civic Center. Are you able to coordinate with GSD to get the location Posted? If so, we can coordinate with our OCB HOPE Team, GSD and Sanitation HOPE to address the Civic Center Collectively. Sanitation can not do a CSLA due to the fact that this is considered an Open to the Public Mall location and a CSLA can not be done between the hours of 0600- 1900 Hours.

Captain Paulson, this is just an FYI for you. This location is of concern due to one unconfirmed Typhus individual that lives in a tent on the grounds of the Civic Center. SLO Monica Helper from SSD is the lead and is coordinating with the UHRC.

Thanks for your attention on this.

Take Care,

Emada

Hi Carolyn, Happy Holidays !!!

I totally understand.

Early December I did talked to Pepe about C.S.L.A service request. He wants it to be addressed by HOPE and GSD.

Please contact them and if that route does not work, I will have to follow up.

With kind regards,

Hi Bladimir,

I just left you a voicemail regarding this. We're trying to get this area cleaned and I'm aware of the difficulties making it happen due to this being a public mall with public hours between 7am - 7pm. This has become a high priority for UHRC due to there being a person confirmed with Typhus residing there. I was wondering if you were able to communicate any further with Pepe to try and schedule a cleanup here. I spoke with Lt. Wong and he said that you'd have to get approval from Pepe to coordinate a CSLA cleanup. Lt. Wong also mentioned looping in GSD so that they can put up "no trespassing" signs around the Civic Center. This might have to be done first before any HOPE and/or CSLA ops can commence.

Below is an email from SLO Monica Helper to Lt. Tingirides explaining the Typhus situation in more detail. She sent this email 12/6/18. She's reached out to us multiple times asking for our help.

"Good Evening Ma'am, as per your conversation with Sgt. Petterez,

We were made aware that we have a confirmed individual with Typhus in Civic Center. He recently got out of the hospital. His Name is Grabiell Ulises Ramirez, DL # D6417118, DOB 10/22/1991, M, H, BLK, BRO 5'11, approximately 198 lbs. CII# A34858179. The location where he has his ten,t their are two cats that is owned by another individual that sleeps in the same location Mr. Alvaron Morrow, DOB 1-17-1991. The following photos I took today. This is the same location, that I had emailed you on November 20th , asking for support. In the past Rec/Park has done a clean-up in the areas they are responsible for. Our Officers and I here as security services have offered them outreach on multiple occasions. We met today with Pierre Riotoc, from General Services, assistant Director of Special Services, and few more GSD staff and made them aware of the high importance in getting this area cleaned, as well as outreach services for these individuals due to the confirmed Typhus situation.

My personal contact number is 562-889-8576, if you have any further question or concerns.

Hi Salvador

To addressed service request under C.S.L.A. funding / program, clean up will be have to be done either after mall is closed (7:00 pm) or before is opened (6:00 am.) . It is recommended to please contact General Services to address illegal dumping inside Civic Center areas or even HOPE team.

All,

We have a CSLA pending in this area (Auth. 181115018) which needs all three signatures. Some of the encampments seem to be inside the Civic Center which is not covered by the existing Authorization area. Is it possible to extend the Authorization area to include the Civic Center (from Main St to Los Angeles St). Please see below, ZIMAS, NavigateLA and County Assessor show the Civic Center as City of LA.

I am including Matthew to assist with outreach at this location.

Also, Bladimir and Danielle who may be able to assist as well.

Good morning Cecile,

I received a call last week from a SR Lead Officer Monica Helper. She is requesting to speak with someone or meet with someone from Sanitation to see about coordinating the removal of homeless belongings that are left on the Civic Center Property from time to time, mainly in and around the LA Mall area. I was not sure who exactly she should speak with, can you try to assist with trying to get someone to contact her in regards to this issue.
